

A FRESH NEW WAY TO **STAY LOCAL**

LOOKING TO GET AWAY?

Want to escape for the weekend? Check out the 'Stay' section of our app to browse a list of swanky, upscale boutique hotels near you. Click on the hotel you like, open the business information page, call to make your reservation or check out their website; all from the comfort of your phone while browsing the app. The 'Vibe' icon will allow you to take a look around and pinpoint some amenities that may excite you or help your decision making. Don't forget to check out the 'Be Local' offerings under your places to Stay before checking in, you just may save on packages, drink vouchers and more.
