

# WELCOME TO THE APP!

Let our mobile app be your ticket to becoming a true local wherever you grow. Be local on the go is our motto, and a lifestyle that we want you to experience. The Eat Drink and Be Local® app is an ever-growing database of local places to Eat, Drink, Live, Stay and Give in your local community. Becoming a local is more than just frequenting your local watering hole. It's about creating lasting relationships and synergy amongst the community.
